

## **SPECIAL GAME**

Did you know that TWO of our unit members are in the Canadian Women's Team this year and they are going to the World Championships in Philadelphia in October to represent us?

### **ISABELLE SMITH AND PAMELA NISBET**

There is a cost involved in attending these events and the subsidy from the Canadian Bridge Federation does not cover all expenses therefore there will be a special game held before they leave to raise a few \$ to go towards their trip and to give us an opportunity to show our support and offer them best wishes for the championships

**When:** Sunday -Sept 26<sup>th</sup> at NOON

**Where:** The Bridge Connection

**Cost:** \$15 includes brunch

### **Fun events to include:**

- 50/50 draws
- prizes and giveaways
- Calcutta (where you can buy yourself or another pair)
- There is the opportunity to 'buy' a player for the afternoon's game- but you will need to let us know prior to the day who you would like to play with so it can be arranged.
